Previous Business:

- Heritage Elementary - Planning stages continue with Fanning Howey Architects to discuss the conversion of Heritage Elementary to Helping Hands Preschool.
- Performing Arts Center - Quotes are being received to change house lighting to LED.

New Business:

- Attorney General Grant - Director of Business Affairs, Ryan O'Cull, has submitted a grant request in the amount of \$450,000.00 for the complete system update to Medina City Schools Access Control system.
- Ella Canavan Elementary - A manual slide gate and fence has been installed to prevent vehicle access.
- H.G. Blake Elementary - Plans and permits are in process to build the Blake Pavilion. The concrete pad was previously poured last summer and funded by H.G. Blake Elementary PTO.
- Elementary Playground Cameras - Security cameras have been installed at Canavan, Heritage, and Waite. The camera project is funded by an OFCC grant.
- Eagle Scout Project - A project is in motion to install posts that will act as path markers for the Cross County course. The posts will measure 3.5 feet above ground.
- Baseball Dedication - Discussions are in progress for an Entranceway Arch at Wells Park in honor and remembrance of Jim Wells, a Medina County and Medina City Schools sports legend.
- A.I. Root Middle School - The City of Medina will provide cleanup of leaf debris to the Pickleball Courts. Poles will be placed on April 1st for the season.
