

### Medina High School Families:

We have a lot of excitement coming our way over the next few weeks. Here are a few items that I would like to bring your attention to.

- As we prepare scheduling for next year, parents will receive a scheduling verification sheet for each student. These were sent in the mail on April 8th. Use that information to verify your student's schedule as changes are limited. We are looking forward to all of the opportunities our students will have next year.
- SAT testing is Thursday, April 17th. This is for juniors only. Information was previously sent out regarding this date and test specific information. Students will receive a room notification email soon.
- ELA II testing is also Thursday, April 17th. This is for any student enrolled in sophomore language arts. Further information will be coming out with room assignments and login information.
  - Please note, if your student is not taking the SAT (juniors only) or the ELA II test (any student enrolled in sophomore language arts), then they will not report to school on April 17th.
- Future testing information will be forthcoming. Teachers have also been communicating with their students to prepare them for testing dates and necessary information they need to know.

We are also looking forward to prom and graduation as they are quickly approaching! Graduation will be held at Ken Dukes Stadium on May 24th at 11:00 AM. Depending on the weather, graduation may move earlier or later that same day. If the weather turns severe and we cannot hold it on Saturday, we will move it to Sunday at the same time. We will proceed with the original date and time with any mild weather.

Prom will be held on May 17th at Encore Event Center (formerly Michaud's Catering and Event Center located at 16808 Pearl Rd. in Strongsville). Doors will open at 6:00 PM, dinner will start at 6:45 PM, and the dance will end at 10:00 PM. Tickets, which are \$70, will go on sale on Wednesday, April 16th at 3:00 PM and the ticket sales will end April 23rd at midnight.

In partnership,

Sarah Grether A-Da [grethers@medinabees.org](mailto:grethers@medinabees.org) Shawn McDermitt Mc-Re [mcdermis@medinabees.org](mailto:mcdermis@medinabees.org)  
Heather King De-He [kingh@medinabees.org](mailto:kingh@medinabees.org) Carrie Schreck Rh-Sh [schreckc@medinabees.org](mailto:schreckc@medinabees.org)  
Kristi Cavalier Hi-Ma [cavaliek@medinabees.org](mailto:cavaliek@medinabees.org) Dan Senften Si-Z [senftend@medinabees.org](mailto:senftend@medinabees.org)

Although many universities have chosen to become test optional for admission, most universities are NOT TEST OPTIONAL for enrollment. Meaning, your child will be evaluated for admission to a university based on criteria such as courses taken and grades received throughout high school but when enrolling into courses at the university a student will need to have some type of standardized placement testing.

The SAT is an option that can be used for enrollment and is encouraged as an option by most universities. Currently placement into credit earning, non remedial courses are Evidence-Based Reading and Writing: 480 and Math: 530. Each Junior has previously registered for a College Board account allowing them to view practice scores and predicted SAT scores. All juniors also have worked with Khan Academy and have the functions of free, individualized SAT practice.

#### **Reasons to Complete Placement Testing Before Admission...**

- Class scheduling and registration process will be delayed until testing is complete.
- Math placement through a university could include up to 5 separate placement tests rather than one SAT/ACT (this is true for the University of Akron)
- Current Reading/Writing placement testing is all or nothing. You either pass both sections or you fail both sections. SAT/ACT separates reading and writing scores.
- Students will have a better idea of where they stand as far as enrollment into classes. Remember, admission does not guarantee enrollment.
- Students wishing to take online classes can schedule sooner and before many online classes are full if they have already done placement testing. This is important for students who want to enroll in CCP during their senior year.

### **Instructions for accessing scores through BigFuture School:**

If your student provides their mobile number on test day, they will receive a text message with instructions to download the BigFuture School mobile app and sign in. We encourage them to use the mobile app to access and apply their scores. They also have the option to use your personal College Board student account and view additional insights online. All MHS students have previously created a College Board account using their medinabees email.

## Student Council Attends the Ohio Association of Student Leaders State Conference

On March 14-15, 2025 Medina High School Student Council Members attended the Ohio Association of Student Leaders State Conference at Port Clinton High School. This year's conference theme was "Ride the Leadership Wave." Since 1953, students have gathered to discuss and share ideas on the development and growth of student leaders, and how student councils can make a difference in their schools and communities.

23 Student Council members attended the 72nd Annual State Conference of the Ohio Association of Student Leaders (OASL) along with over 200 other student leaders and advisors from throughout the state of Ohio. Medina High School Student Council advisors Laura Calaiacovo and Erin Puskas attended with their students. Zander Helfrich was elected President of the student board members, and Calaiacovo was elected as another 2-year adult board member.

Six students were chosen to be staff members and assisted by facilitating small group workshops for leadership training. Avery Reed and Olivia Louie talked about Make Gratitude your New Attitude. Hayden Henry and Sophie Akers-Novak presented Balancing the Scale of Life. Piper Jackson and Leah Bugner ran a lab called "Mic Drop 101", a public speaking lab.

The conference included keynote speaker Dr. Bill Wagner who addressed being a leader in schools. Another keynote speaker was Eddie Slowikowski who got all the students involved and talked about always doing the best you can do and not worry about being the best, just doing your best.

Medina High School Student Council won many awards at the state conference. The Five Star Council award recognizes schools that participate in training through OASC to develop leadership among students. The Army of Volunteers award gives distinction for outstanding service to others. The mission statement of the award is "In striving to build a generation we will aid our community to aid us all."

The Ohio Association of Student Councils sponsors a recognition program for the outstanding leaders in Ohio. These are kids who go beyond what is required. These are the students who stay that extra hour, who work harder, who say thanks more often, who lead by example, and are respected by their peers and teachers. These are outstanding leaders who deserve to be singled out for their dedication. They represent a standard of excellence that puts them above the crowd. Their leadership and guidance have brought new direction, insight, and imagination to council through their years of service. They have made a difference in Medina's Student Council. Seniors Hayden Henry and Piper Jackson with juniors Avery Henry and Autumn Campbell have earned this distinction this year.

The Dale D. Hawley Leadership Award is awarded to someone who has shown consistent commitment to OASL's leadership training programs and constantly shows service and leadership at the state level. This year the state award went to senior Piper Jackson. Piper was also awarded the OASL Ambassador award. Piper earned this award by actively participating in OASL events throughout the year and applying leadership skills to promote OASL and its ideals at Medina.

## Congratulations Medina County Art League Senior Art Scholarship Show Winners

Congratulations to Jay Milewski for winning the Grace Zay Award.

Congratulations to Addison Dressel for winning Third Place.

## Congratulations MHS Student Council!

For its exemplary record of leadership, service and activities that improve the school and community, the Medina High School Student Council has been recognized as a 2025 National Gold Council of Excellence by the [National Association of Student Councils](#). The NASC program is supported by its parent organization, the [National Association of Secondary School Principals](#). This is the 13th year MHS StuCo has earned this honor.

"The student council at Medina High School just pulled off something extraordinary," said NASSP CEO Ronn Nozoe. "Their student-driven change has earned them national recognition as a National Gold Council of Excellence, proving that when young people are given the chance to lead, they turn their vision into real-world impact."

A student council must meet a variety of criteria to earn the National Gold Council of Excellence Award. In addition to basic requirements such as a written constitution, regular meetings and a democratic election process, the councils must have demonstrated successful sponsorship and participation in activities such as leadership development and service to the school and community.

Student Council advisors Laura Calaiacovo and Erin Puskas helped the committee that put together the proposal. The committee included Hayden Henry, Avery Henry, Delaney Swantek and Madison Makin. The girls did an outstanding job in their presentation to principal Dr. Sedona to provide evidence that all the criteria were met.

## Advanced Placement Exam Registration

### **AP Exams will take place May 5th -16th, 2025, All exams will be at MHS**

Taking the Advanced Placement exams is an important part of all AP courses. Medina High School requires that all students take AP exams for the AP classes that they have taken. Scoring well on an AP exam can often earn students college credit for their high school class, saving a significant amount toward tuition.

An exam has been ordered for every student and the cost for the exam was added to his or her school fees in September. Seniors must pay their fees prior to graduation or they will not be permitted to walk. If a student does not take the AP exam then the AP weight will be removed from their transcript and they will still be charged for the exam.

This year each AP exam will cost \$99.00. Medina High School desires that every student be able to take their AP exams. Students requiring financial assistance should contact Mrs. Heather King, [kingh@medinabees.org](mailto:kingh@medinabees.org) or Mr. McDermitt at [mcdermis@medinabees.org](mailto:mcdermis@medinabees.org), at Medina High School to learn more. ## 2024-2025 Parking Permits

All students driving to MHS must have a Parking Pass. Students may park in Lots B, C, E and F with a pass. Students *are not* to park in the lots of any of the area buildings including the rec center parking lot. 2024-2025 Parking Permits are sold in the HUB. Currently the cost is \$ 10.00 with Cash or Check Payable to Medina City Schools. Permit costs decrease by \$10 for each quarter. The Parking Pass Google form must be filled out and the cost must be paid at time of permit pick up. [Parking Pass Google Form](#). Questions? ## Dress Code

From the 2024-2025 Student Handbook:

Being ready for school includes preparing for the day by choosing proper attire that reflects a consideration of hygiene, safety and environment. The following statements are provided as guidelines to promote understanding of a few areas of concern:

1. Students must wear lanyards around their neck and IDs must be attached to lanyards at all times during the school day. Exceptions occur in the classroom based on teacher discretion of student activity.
2. Any apparel showing suggestive or profane pictures or wording; showing alcohol, tobacco, or drug-related sayings or pictures; promoting or depicting sex, violence, or self-destructive behavior; or any item that defames the nation, state, community, or an individual will not be permitted.
3. Tops must cover underclothing.
4. Dresses, skirts, pants, shorts, or clothing showing skin must be long enough or worn to cover undergarments.
5. Clothing with group markings or clothing associated with a non-school group or gang will not be permitted; e.g. shirts of the same color or marking.
6. Any spiked jewelry or chains are not permitted in school; these items will be confiscated.
7. Proper safe footwear must be worn at all times in the school buildings.
8. Sunglasses are not to be worn in the building.
9. Teacher discretion is used within the classroom as it pertains to hats and hoods.
10. Any new "fads" in clothing, costumes or anything not specifically covered in the above guidelines which are considered inappropriate dress shall be dealt with at the discretion of an administrator or designee.
11. No undergarments will be showing (male or female) whether standing or sitting.
12. Any other clothing or accessory deemed inappropriate by administration can be a dress code violation.

If there are any questions as to the appropriateness of any type of clothing, the school should be contacted in advance. In the event inappropriate clothing is worn or displayed, it is the responsibility of the student to make arrangements to immediately remedy the situation. Students will be retained in the office until appropriate clothing is obtained or clothing may be provided by the school. Any student violating this policy will be subject to disciplinary action.

## Lanyards

Lanyards with Student IDs or temporary IDs must be worn by students all day and every day. Students who accumulate five or more violations of not wearing lanyards/student ID's are subject to after school detention.

From the 2024-2025 Student Handbook:

### SCHOOL IDENTIFICATION

1. School issued ID cards and school issued lanyards must be worn and visible at all times, during the school day.
2. If a student has an ID badge and/or lanyard not in compliance with rule #1, they will be sent to their appropriate office for a temporary replacement and/or to purchase a new one. Repeated violations may result in student discipline.

3. If a student has lost or defaced their ID card, they must get a replacement from the HUB. Cost for replacing the ID card is five dollars (\$5.00) and cost for a new lanyard is (\$ 2.00), and may be paid by cash or check. Failure to get a replacement card and/or lanyard will result in disciplinary action.
4. A student ID card should not be given to another person at any time. Violation of this rule will result in disciplinary action.
5. Students who have lost or forgotten their ID will be sent to the office to purchase a new one.
6. ID cards will be necessary for computer usage, admission to school dances and other functions, and for Media Center use. Failure to have your ID card may result in the loss of privileges.
7. ID cards are the property of Medina High School and may NOT be defaced in any way.
8. Students may only possess one of their own, current ID cards. No student should possess or wear more than one ID of their own or of another student.

### *No Fast Food Delivers*

**No deliveries from parents, a delivery service, or a restaurant for students will be accepted.**

### *Attendance*

Please communicate attendance matters through the Attendance Office for all nonattendance/missed class time such as illness, doctor, dentist, etc.

#### **24 Hour Attendance Line: 330-636-3207**

**Mrs. Linda Florian - Last Names A-K**

**Mrs. Diane Boccio - Last Names L-Z**  
**bocciod@medinabees.org**  
**Direct Line - 330-636-3206**

#### **Reporting Student Absences**

- If a student will be missing school, a parent needs to call the Attendance line. The parent will need to spell the student's last name, give his/her school ID#, and the reason that he/she is absent.
- If a parent does not call, the student will be marked "unexcused absent" and an automated call will be generated by 10:30 a.m. each morning.
- If a student is late because of an orthodontist, doctor, dentist, court appointment, etc., the absence will be excused if the student brings in a school excuse from the doctor, dentist, etc. to the Attendance Office.

#### **If a Student Becomes Ill in School**

Students should report to the clinic with a pass from his/her teacher. If the student walks or drives home, the nurse will call a parent/guardian to obtain permission for that student to leave the school. If

the student is being picked up, the driver can pick up that student at the front entrance A-7 doors-in the vestibule by the main office. The nurse or school staff may escort the student out if necessary.

*As has always been our policy STUDENTS SHOULD NOT BE USING THEIR CELL PHONES TO CALL PARENTS DIRECTLY TO GO HOME ILL - We will enforce that any student leaving the school ILL MUST be excused through the clinic.*

### **Tardiness to School**

Oversleeping, car trouble, power failures, traffic problems, frozen car locks are all unexcused tardies. A note or call from a parent to the Attendance Office regarding the reason is always appreciated and will be noted for your student's records. A Principal or his/her designee shall make the final determination between excused or unexcused tardy if necessary. As the student accumulates tardies to school, the following consequences may result: 4 tardies ~ One (1) ASD, 8 tardies ~ (2) ASDs, 12 tardies ~ 2 hour Saturday school and notification, 16 tardies ~ 4 hour Saturday school and notification

### **Leaving Early**

Parents/guardians are to send in a note requesting their student leave early for the purpose of not attending an end of the day study hall. The note must be dated and the time that the student is to leave school. These notes should be brought to the attendance office by the student in the morning. Phoning in a request daily for a student to leave early is highly discouraged. Absences to avoid being in last period study hall are unexcused.

### **Planned Absences**

The student needs to tell his/her teachers about the absence and make arrangements to make up the work. The parent needs to call the attendance line in advance and give the dates and reason the student will be missing school, such as vacation, surgery, etc.

### **Appointments**

Phoning in a request for a student to leave early is discouraged, although sometimes unavoidable. Writing notes in the morning is preferred. Parents need to realize that it may take time to find the student, especially if the student is in a gym class or at lunch. Dismissal slip will then be delivered to the student. The parent does not come in to sign out the student. The student will then meet the parent outside of the building at the designated time.

### **Vacations**

Ohio law does not specifically allow vacation travel to be considered an excused absence from school. In situations that are essentially unavoidable, schools are permitted to grant excused absences in order to travel. Medina City Schools allows up to 5 excused vacation days per year. A Request for Vacation Travel is required to be filled out and turned into the Attendance Office well in advance of the intended absence. The form can be found under Forms on the MCS website, on the MHS website, on Blackboard under the Forms tab in the MHS Student Organization and this link. [Request for Vacation Travel Form](#)

**IMPORTANT NOTICE:** If a student will miss more than approximately 65 hours (10 days) due to a vacation, parents/guardians are required to un-enroll their student from the Medina City Schools and re-enroll them upon return from vacation. This is done by contacting the Office of Registration at 330-636-3100. Questions concerning this procedure may be directed to Dr. Kristine Quallich, Asst. Superintendent, at 330-636-3092.
